## WORK EXPERIENCE

JUN 2022  
PRESENT

### SENIOR IOS DEVELOPER & FLUTTER DEVELOPER

Wosul | Riyadh

- Building prototypes at the tech scoping stage of projects.
- Stayed up-to-date with the latest Flutter updates, packages, and tools to incorporate new features and improvements into projects.
- Utilized design patterns such as MVVM, getx and Bloc for state management to ensure a structured and efficient codebase.
- Collaborated with cross-functional teams to define, design, and ship new features for mobile applications using Flutter.

SEP 2021  
JUL 2022

### SENIOR IOS DEVELOPER

Edfapay | Riyadh

- Created user interfaces (UI) and user experiences (UX) that are intuitive, user-friendly, and visually appealing using SwiftUI, UIKit, or other relevant frameworks.
- Integrated third-party libraries and APIs into existing applications.
- Developed and maintained clean, well-documented, and efficient code following coding best practices.
- Performed unit testing and debugging to ensure application functionality, performance, and stability.

JAN 2018  
SEP 2021

### SENIOR IOS DEVELOPER

Wasltec | Riyadh

- Coded customized applications for users to convert raw data from the design engine to easily understood graphics
- Collaborated with customers to understand their needs and devise ways to increase product scopes.
- Gave customers updates on the progress of the resolution of their issues and concerns.

AUG 2014  
DEC 2017

### IOS DEVELOPER

Feathersoft info solutions pvt ltd | Kochi

Worked closely with product managers and designers to define a rich iOS experience for the user. Supported the architect in improving the native iOS and macOS codebase. Explored new technologies and shared findings with the team. Supported and streamlined company policies, procedures, mission, and standards of ethics and integrity. Led the discovery phase of medium to large projects to come up with a high-level design

## RESPONSIBILITIES

- System Architecture Design
- Code Review and Optimization
- Technical Leadership
- Collaboration and Communication
- Problem-Solving
- Documentation

## EDUCATION
